### **FIRE AT SPSA LANDFILL**

SUFFOLK, VA (June 24, 2010) At approximately 7:40 pm fire crews responded to a reported commercial structure fire at the regional landfill. Upon arrival, crews reported heavy smoke coming from the bi-metal building. Crews discovered a large pile of debris burning inside the processing building. The fire was under control in 15 minutes. Firefighters contained the fire and prevented it from burning the actual structure. The cause of the fire is undetermined. No injuries were reported. Three engines, 1 ladder, 1 heavy rescue unit, and 1 battalion chief responded to the fire.
